

## **SECTION 17: BOUNDARIES OF DISTRICTS**

Rules where uncertainty may arise; where uncertainty exists with respect to the boundaries of the various districts as shown on the zoning map, the following rules apply:

- (A) The district boundaries are either streets or alleys unless otherwise shown, and where the districts designated on the zoning map are bounded approximately by street or alley lines, the street or alley shall be construed to be the boundary of the district.
- (B) Where the district boundaries are not otherwise indicated and where the property has been or may hereafter be divided into blocks and lots. The district boundaries shall be into blocks and lots. The district boundaries shall be construed to be the lot lines, and where the districts designated on the zoning map are bounded approximately by lot lines, the lot lines shall be construed to be the boundary of the districts unless the boundaries are otherwise indicated on the map.
- (C) In unsubdivided property, the district boundary lines on the zoning map shall be determined by use of the scale appearing on the map.
